

e-Baywatch - from Alan Hillier

Vintage collection of eleven 1920s photos, including a 1929 Junior Tourer on a 'Round the Union for the Radium Fund Tour', a pamphlet with competition to raise funds for the fund, and a few other racing photos.

Left, a crowd gathers round the Junior, presumably for the start in Durban.

In the background a 1929 Junior 2-Seater and a 'Six' Saloon.

The Junior and crew take a rest en route.

Having failed to sell at £99.99, the collection, which was in Cape Town, was relisted and sold for £45.00.

ROUND THE UNION FOR THE RADIIUM FUND

A standard Singer Junior car, officially observed by the Editor of the A.A. Official Magazine, will leave the Durban Town Hall on February 7, at 9 a.m. to make a tour of the Union. The route followed will be: Durban, Johannesburg, Pretoria-Johannesburg, Bloemfontein, Kimberley, Hopetown, Victoria West, Beaufort West, Worcester, Capetown, Mossel Bay, Port Elizabeth, East London, Kokstad, and Durban.

CALCULATE THE TOTAL DISTANCE COVERED AND TOTAL AMOUNT OF PETOL USED, AND WIN £10.

The decision of the judge is final, and should more than one competitor calculate correctly the prize will be divided.

I calculate that the Singer Junior will cover miles
 and use gallons of petrol.

Aunty Says: Great pictures and a nice little competition - let's do it! I have carefully measured the route on my atlas to calculate the mileage, and had a guess at the fuel usage, which I have put in a sealed envelope. If you would like the chance to win an **ASCO Lapel Badge**, make your own calculations and send your answers to the Editor by the end of July and the winner will be the nearest to mine. Best wishes, **Aunty.**
